curative

Provider guide

Get paid faster with direct deposit.

Enroll in Electronic Funds Transfer (EFT) to receive Curative payments straight to your bank account — and make reconciling patient accounts easier.

What is EFT?

EFT, also called direct deposit, transfers claim fee-for-service and capitated payments directly into your bank account.

No paper checks
No mail delivery or handling.

Same-day access
Funds are available the day they're deposited.

Better cash flow
Less admin, more efficiency.

How to enroll or update your bank information

1. **Get your W-9**, dated within the past 6 months.
2. **Get a voided check or bank letter** showing your banking information.
3. **Email both to credentialing@curative.com.** Use the same steps to change the bank account on file.

Email	Fax	Processing time
